Fall River Electric is offering incentives to improve the insulation in your **existing single family, multi-family, or manufactured homes with primary electric heat.**

Contact the Conservation Specialist at Fall River Electric prior to starting your project, at 800-632-5726.

Here's how to qualify for the rebate:

- 1- Contact Fall River Electric.
- 2- Arrange for a pre-installation inspection.
- 3- Install insulation as per specifications.
- 4- Arrange for a post-installation inspection.
- 5- Make any necessary corrections to installation & arrange for re-inspection.
- 6- Submit documentation (receipts) of insulation installed & rebate form to Fall River Electric.

Fall River Representative Use Only:					
Location	Existing R Value	Installed R Value	Sq. Ft.	\$/Sq. Ft.	Rebate
Attic					
Floor					
Wall					
Rebate amounts are for the above listed price per square foot of the project, or the actual cost of the project, <u>whichever is less.</u>					Rebate Amount
Single Family _____ Manufactured _____					

I certify that the insulation was purchased and installed at the above address. I will allow a representative of Fall River Electric to verify installation of the additional insulation. I understand that it is my responsibility to insulate to meet the Fall River Electric weatherization specifications.

Term & Conditions:

Installed Date: _____

- Utility rebate amounts are subject to change and are only available while funds are available.
- The program requires pre-install approval prior to all installations receiving a rebate.
- Your incentive check should be received within 45 days after the completion of the post-inspection .
